This half term our Church Value is : PERSEVERANCE

Mothering Sunday

Many thanks to everybody who attended our Eucharist held on Friday 4th March to remember and thank God for all who care for us throughout our lives.

We wish you all a very happy Mothering Sunday.

Question of the week

Our question for this week is:

Are all dinosaurs extinct?

Please encourage your child to investigate this and talk about it with friends and family. Any interesting facts can be brought into school and shared with class teachers.

Don't forget we hold a community Eucharist in school every Friday at 9am—everybody welcome.

Non-Uniform Day

School will be holding its Easter Bingo on **Thursday 17th March in the School hall -eyes down 6.30pm**
There will be a non-uniform day on **Friday 11th March** to help support the bingo. School would like to ask for a donation of:
KS1- a bottle which needs to be handed to an adult
KS2- chocolate

Many Thanks—we look forward to seeing you there.

Musical Theatre Performance

After the Easter Break Debbie Cook, our Dance teacher, will be running a Musical Theatre Club which will include dancing, singing and drama. This will initially be on Wednesdays for our Year 3 and Year 4 classes. The children will be practising lots of dances, drama and this will help to build up the children's confidence. At the end of the Summer Term will be a Performance of

'High School Musical'

More information will be sent out nearer the time, We hope to have lots of boys and girls who will enjoy participating in this activity.

Dropping children off in the road

In the interest of safety for all of our children can we please ask parents not to stop their cars at the front of school and allow their children to walk, unescorted, on to the playground.

Thank you for protecting our children

Got a Smart phone?

The next parent report evening will be held on

Wednesday 20th April

when you will have a chance to meet with your child's class teacher and discuss their progress so far and how you can continue to support them at home.

On the same evening, to support information sharing and communication between school and parents, we will be launching our new app for parents. Please ensure you bring your phone with you on this evening and there will be someone there to show you how it works.

We look forward to seeing you there.

Parents' Comments

We are grateful for your comments
