## Crocus Planting

A very big thank you to everyone who supported the crocus planting event this week where we raised £69.00 to help eradicate Polio. Children really enjoyed having their purple pinkies to show their participation

We look forward to seeing the flowers appear in Spring next year.

## Packed Lunches

Could school please remind parents that school has adopted a healthy school policy. To support this we will be having a healthy eating day to encourage children to try more fruit and vegetables. We ask if parents could support this when making up packed lunches as we have noticed that a few of the are coming to school containing sweets, fizzy drinks and chocolate.

*Thank you for your co-operation with this matter.*

## Parking

It has been brought to School's attention that people have been parking and blocking the ally gates to the neighbor's houses opposite the school when collecting children. Could we please ask that you be courteous and refrain from blocking these gates to enable the neighbors to access their drives.

Thank you

## Junior Debate

We were very proud of our Head Boy and Head Girl this week when they attend the junior debate held at St. Helen's town hall. They represent school with passion and conviction as they debated in the council chambers what it was like to live in St. Helens.

Well done to both Nakitia and Kieran.

## Open Day

School will be holding an open day for anybody that has a child starting school in September 2016. This will be held on **Wednesday 4th November 3.15pm-5.30pm.**

This will give parents a chance to have a look around the school and meet the staff.

## Kingswood Trip

Last week some of the Year 6 children went to Kingswood in Wales. We had an outstanding time!

We were separated into 2 groups to do a range of activities like jumping off high heights and making a campfire, as well as all that there was a disco which other schools participated in but, not forgetting a sing off which resulted in St. James winning!

Our favourite activities were 3G swing, leap of faith and Jacob's Ladder.

We all wish we could have stayed longer!

*By Nadine Thomas and Nakitia Lawrence*

## Out of hours club

School would like to remind parents that school has a breakfast and after school club up and running. The hours are from **7.45am until 8.50am**

**And**

**3.15pm-6.00pm**

If you require any more information and costings please contact the school office.

## Parents Comments

**We are grateful for your comments**
