MacMillan Coffee Morning and meet the new Head Teacher

A very BIG thank you to everyone for their support in this event- the amount of donations for cakes was overwhelming. There was a good turn out from parents and the church community who enjoyed a cake breakfast. I enjoyed meeting all of you and sharing a cup of coffee.

We made an amazing £253.87!!!

WELL DONE!

Welcome Service

Reception class would like to invite you to a welcome service led by them and the children in year 6. The service will take place on **Wednesday 7th October at 9am** in the school hall. Parents and carers are welcome to attend and celebrate them joining our school. It is always a lovely service.

Kingswood trip

Could all children attending Kingswood on **Wednesday 30th September** please arrive at school in the clothes they will be travelling in on the day. Children will need a packed lunch if they usually have one, if not a school dinner will be provided for them. The coach will depart from school at 1.00pm
We pray for great weather!

Photographs

Could we please remind parents that the final day for returning photograph orders will be **Wednesday 30th September**

Thank You

Contact Numbers

Could all parents please make sure that the school office has your up to date contact numbers so school is able to contact you in an emergency. There has been several occasions this week where it has not been possible to contact parents.

Thank you for your co-operation in this matter.

Parking

School would like to ask parents for their support in keeping our children safe at the beginning and end of the day. We have had a few reports of cars parked on pavements preventing children walking safely and cars speeding down the roads which again puts our children at risk. We ask everyone to please be aware at these very busy times.
Thank you

School council visit Sainsburys

We are proud to share with you the response from staff at Sainsbury's in Haydock after our children went to visit:

'The children were an absolute credit to the school, they were well mannered, curious, interested and confident enough to ask questions and interact with colleagues throughout the depot. We really enjoyed them visiting the site and hope that they enjoyed it too. The delight on their faces when they got to go on some of our picking equipment and ride in the HGV was evident and they cheered up a lot of driver on-site by smiling and waving. Please let them know how much we enjoyed their visit and we look forward to working with the school on future projects.'

Well done to all our children!
