## Class Photographs

On  
**Wednesday 8th June 2016**

all of our children will be having their photographs taken with their class friends. Proofs will be sent home for parents to purchase if you require.

## School Fence

School would like to ask parents if they could please stop children climbing on the fence at the front of the school. This is for health and safety reasons and children could get seriously hurt if they fall.

Thank You for your support with this matter

*Don't forget we hold a community Eucharist in school every Friday at 9am—everybody welcome.*

## Footballs in school

School would like to remind parents that children are **NOT** allowed to bring their own footballs into school, these are too hard and can cause serious injuries. If children request to play football school will provide the necessary equipment and supervision.

Thank You

## Parent App

School would like to remind parents about our school app. This is a great way of keeping in touch with school and what activities are coming up in the future for your child. You can inform school of any absences and school can inform you of any messages or events that are taking place,

## Year 1 Assembly

Year 1 children will be hosting an assembly in the school hall on

**Monday 27th June  
At 9am in the school hall**

Everybody is welcome to attend to support our little ones.

## Garden Party

School held its garden party today to celebrate our Queen's 90th birthday. We had a visit from the mayor and mayoress who really seemed to enjoy themselves.

All our children got to make their very own kite and played lots of garden party games, along with

Afternoon tea.  
lots of fun was had by all!

The children all looked very smart in their red, white and blue party outfits.

## Year 6 Performance

Our Year 6 children will be performing an end of year performance of 'The Lion King'

The dates are as follows  
**Tuesday 19th July at 2pm**  
&

**Tuesday 19th July at 6pm**  
More information will be sent out nearer the time.

## We need your plants!

The children and staff have been working hard to improve the school environment. If anybody has any shrubs or plants left over when doing their gardens we would be willing to take them off your hands. Please pass any donations in to the school office so that we can get them planted ready for our garden party. Many thanks for your continued support.
