Healthy Eating Day

Healthy eating day was fun!
 We did lots of different activities, first we made our own fruit monsters, then we played some games, after that we had a science lesson when we found out how much sugar was in a strawberry and we measured a banana with a bendy ruler!
 It was great!

Question of the week

Our question of the week for this week is:

What is the tallest mountain in the world?

Please encourage your child to investigate this and talk about it with friends and family. Any interesting facts can be brought into school and shared with class teachers.

School Poets!!

We are pleased to announce that a number of our children have been chosen to have their poetry published in an anthology of children's poems through the Young Writers. Poems written by Year 3 are also to get a special mention on their blog.

Santa Letters

If any children still wish to receive a 'letter from Santa' could parents please return their complete form and money to the school office before

Friday 11th December.
 Thank you
