

St James Pupil Sports Premium 2015-16

Through God's Love we learn, we enjoy, we achieve

In April 2013 the Government announced new funding of £150 million for physical education and sport.

This funding is to help school to provide breadth in PE & Sport provision including increase in pupils' involvement in sport, healthy lifestyles and performance levels. In our school the funding amounts to:

2014 - 2015	£8512
2015 - 2016	£8512

At St James' C.E. Primary School we believe that sport plays an important part of school life as it contributes to the health and well-being of our children.

We have chosen to use this funding to secure a service level agreement with a qualified dance and gymnastics coach alongside membership of St Helens School Sports partnership and our own school actions. We believe that sporting excellence and participation go hand in hand with academic standards and this action has enabled us to strengthen and improve our provision in the following way:

Educational outcomes

- Provide a wide range of activities that engage and inspire all children
- Ensure all children receive at least 2 hours of well-planned and high quality P.E. each week
- Develop the skills of our class teachers through working alongside experienced coaches to maintain the highest standard of delivery of P.E
- Offer a wide range of extra-curricular clubs which allow the children to try a variety of sports including karate, street dance, tri-golf, football, multi-skills, rugby, cricket, netball, Boccia and dance
- Through residential visits develop a wider curriculum to include activities which include, assault courses, archery, raft building, caving, rock climbing, mountain biking and canoeing
- Develop sports leaders within school across Key stage 2 to support development of leadership skills and promote the love of sport to peers

Primary School experiences are pivotal to the children's future perception of physical activity and we believe that children leave our school equipped to enjoy sport for all its health and social benefits. For those who relish the competitive element, they gain skills, confidence and relevant experience to succeed at their chosen level and discipline.

Break down of funding:

Support received:	Cost
Dance & Gymnastics Coach to lead and work alongside staff in lessons as part of ongoing CPD programme	6270
Phil Jones Karate	1500
PE And sports equipment	742
