

W/E: 10.2.17

This week Year 1 have been working hard on their entries for the St Helens Super Writers Competition. The children have used the story starter provided to plan their writing and write a character description for their superhero. The children then used their plans to write a superhero story about an alien space craft that landed in Sherdley Park – their creative ideas were fantastic.

In Maths the children have been focusing their learning on shapes. Although we found this a little tricky to begin with, the children have worked hard in their lessons and maths challenges to make sure they know lots of facts about 2D and 3D shapes.

For our topic work last week the children looked at Brazilian carnival costumes and used their knowledge to make a carnival headdress from gems, sequins, tissue paper, card, feathers and ribbon. Here are some of our final creations:
