Dear Parents / Carers

## OFSTED REPORT

It is my pleasure to inform you that our OFSTED letter is now available for you to read on our school website and will also be on the OFSTED website within the next 5 days. If you do not have access to the internet then please feel free to call into the office and request a copy.

The inspector was extremely complimentary of everything he saw during his visit and judged that the school remains **GOOD** under the new challenging framework and that safeguarding was a strength of the school. This is a credit to the hard work and dedication of staff, children, parents and governors.

May I take this opportunity to say thank you to all of the parents and children who spoke to the inspector or completed the online questionnaire and shared with him all of the positive features of our school. Please enjoy reading the letter and if you have any questions then do not hesitate to contact me.

May we continue to make our school a place where we

*'Learn, laugh and live with the love of God.'*

Many thanks,

Mrs J Holmes
