Dear Parents/ Carers,

RE: Parent App

You can download the app by searching for St James CE and download the app that displays our school logo.

Username: stjamesce

Password: parentapps

If you are downloading the app for the first time then please fill in the register form located on the home page.

The app provides instant access to term dates, events, newsletters, booking forms, links to the school website and many more features.

We also use the app to send out push notifications. These are messages that are sent directly to all those parents that have downloaded the app. As push notifications are free for us to send this will replace our text messaging service at some point.

If anyone has any questions or issues then please contact the school office.

Many Thanks

Jan Holmes
Head Teacher
