Dear Parents / Carers

RE: SIGN 2 SING

Imagine living in a world where you cannot communicate with the people around you, from your doctor to someone in a shop. That's what the world is like for many deaf people. Deaf people can often feel isolated, unable to access information and advice that can help; help them live happy and healthy lives. Something hearing people take for granted.

Sign2sing is an annual event, organised by the Deaf Health Charity SignHealth, which raises essential funds to help fund projects that improve the lives of vulnerable deaf children and adults by helping them access help and advice on the things that matter to them in their own language - British Sign Language.

Our school is taking part in this fantastic event on Friday 10th February 2017, with each class learning the Sign 2 Sing song and the basic signs and having lots of fun along the way.

As this is a fund raising event we would ask that you support this worthwhile cause by donating £1.00 on the day.

There is a link on the school website to the Sign 2 Sing page where you can access the video of the song if children would like to practice at home and more information about the charity and event.

Thank you in advance for supporting this worthwhile cause.

Kind Regards

Miss E Jones
