

Dear Parent/ Carer

Your child is attending Active Hope's **Urban Adventure Project** overnight camp at the Tatton Park Scout Campsite, Knutsford, WA16 6QN on **Monday 24th - Tuesday 25th June 2019.**

It will be a fun filled 2 days where your child will take part in – Bellboating, Team Games, Zip Wire, plus evening activities. We aim to keep the children busy and involved throughout.

Active Hope is a Warrington based Christian outdoor pursuits charity. We have been planning and running residential holidays for the last 13 years in that time over 2,000 children have been on our projects. We have an excellent safety record and all our qualified instructors are trained in first aid and hold a current DBS check. Active Hope operates Adventure Activities under AALA Reg no L12268/R2276. For further details on AALA please visit www.hse.gov.uk/aala

What do I need to do now?

All you need to do now is fill in, sign and return our medical & permission form, to give us basic medical and dietary needs we may need to be aware of. Please also ensure you let us know any other information e.g. bedwetting, likely to be homesick, travel sick, nervous in water etc. This will help us to best care for your child whilst we are away.

What will my child need to bring?

Please find a kit list (below) of what your child will need during the overnight camp. If you have any issues in getting parts of the kit please speak to school as we have a bank of various items available to borrow during the overnight camp. We cannot stress enough that all of **your child's belongings should be labelled with their name** where possible. Try and encourage your child to pack their bag with you. It's all part of the experience but they'll also know what they have packed. Ideally they need their kit in one bag / suitcase.

They need to bring a packed lunch on the first day after that all of their food will be provided.

If you have any questions or concerns, please don't hesitate to speak to a member of school staff. If they are not able to answer all your concerns they will get in contact with us on your behalf.

Yours sincerely

Dan Curtis
Director - Active Hope

Kit List- Please make sure that everything your child brings has their name on it.
Please don't send new or nice clothes – it may be a messy few days!!
