

Progression of British Values at St James C.E Primary School:

The following lessons are discretely taught through our St James Spirit Curriculum and collective worship, to deliver progressive content in relation to the five core British Values. This is then supplemented by a programme of activities and opportunities, delivered through our wider Journey Curriculum. Each British Value has a focus for one half-term, with the Tolerance of Those with Different Faiths and Beliefs delivered twice to meet the needs of our school community.
