

A Rule of Life

Diocese of
Liverpool

Here in Liverpool Diocese we're asking God for a bigger church to make a bigger difference!

A bigger church would mean more people could learn about Jesus and get to know him even better. If more people got to know Jesus really well, the world would be a fairer place for us all to live in.

We have been called by God to be close to Jesus in our hearts. In our bigger church we can pray with, and learn from, one another. We are then called to act as messengers - to tell our friends about Jesus and to offer service to those in need. It is a chance for us to give our time and talents back to the God who has given us everything.

Can you 'Bring One Friend' to church?

We are encouraging all St James' pupils to 'Bring One Friend' to church as a simple way to help us see a bigger church making a bigger difference.

Why bring one friend, why now?

The best way for people to get over any obstacles preventing them from coming to church is to be invited by a friend. If we are to be a bigger church making a bigger difference we need to continue to encourage ourselves to bring our friends to church. We WILL be successful if we keep working at it.

WE are a vital part of helping OUR church become a bigger church making a bigger difference in OUR community!
