Year 2 Gideons Visit

Representatives came into our class to talk about the Bible.

They showed us a cartoon by Open Doors about children in North Korea called "Can you keep a secret?"

After the video, they talked to us about what we had watched and the bible.

Before they left, they presented us with story Bible.

Year 6 Artist Visit

Year 6 had a visit from the mixed media artist Paula Pietrzak.

Paula created artwork with the children for their topic Recycled Fashionista.

The children were to develop fashion designs which portrayed messages about topics close to their hearts- deforestation, plastic pollution and animal conservation. As a result, the children have created some amazing 3-D sculptures with interchangeable outfits which will become permanent features in the corridors.

Thank you to the parents who attended the afterschool workshop and supported their children on this project.

Year 5 Update

Year 5 have been very lucky over the last fortnight experiencing numerous visits in school.

We had the pleasure of a visit from the Gideons society, learning all about the amazing work they do bringing hope through the word of God to people all over the world.

After a fun afternoon learning about business and being an entrepreneur, our creativity had been sparked ready for this year's enterprise project to raise money for Hope House Homeless Support in St Helens.

On Wednesday afternoon we enjoyed a walk to the library and are now all very keen to get our own library card and use the super facilities and resources available.

Reception Open Evening

Our Reception Open Evening for the 2020 starters is scheduled for Wednesday 16th October, starting at

3:30pm until 6pm.

ICT Tip

In our bi-weekly newsletters we will aim to bring you a computing tip that can help you or your child.

This week's tip is a child-friendly search engine that is brought to you by Swiggle.

Swiggle can be accessed by www.swiggle.org.uk. Swiggle is a search engine designed to provide a safer environment for children taking their first steps on the road to safe online searching.
