Innovation Project (Year 6)

Year 6 have been visited by Miguel Doforo from MD Productions, who has invited them to take part in the 2019 Innovation Project 'Blank Canvas'.

The children have been challenged to create a concept for a piece of creativity for 'Blank Canvas', taking an idea and turning it into a creative format (spoken work, dance, artwork).

They will be exploring the St Helens community as their theme and the final piece will be presented in the MD Productions Showcase in November.

Liverpool Museum Trip (Year 4)

Year 4 enjoyed a spectacular off-site visit to the Museum of Liverpool on Friday 18th October.

As part of their Geography unit, the children have enjoyed exploring how the Port of Liverpool has changed over time and developed its trade links to the rest of the world.

Storm Visit

We welcomed Storm, our fabulous reading buddy, into school this week.

Storm has been building reading confidence across our school for a while now and his visits are highly anticipated by children and staff!

Stay & Play (Rec)

Thank you to everyone who attended Reception's first stay & play session on Monday 21st October.

This session supported the children's fine motor abilities and showcased a variety of activities to support this.

Our next stay & play session is Wednesday 27th November, we look forward to seeing you there!

ICT Tip

In our bi-weekly newsletters we will aim to bring you a computing tip that can help you or your child.

St James' is very excited to invite our pupils to access a personalised literacy plat-

form that offers our children unlimited access to an enhanced digital library tailored to their individual reading level.

The platform can be accessed at <http://www.myon.co.uk/> and children will shortly be bringing home their individual login details.
