Welcome Back

We would like to take this opportunity to welcome you back to school after the Christmas Break.

This term we have exciting activities to look forward to such as our Games Morning, the start of LDST University and our Spring Festival Evening.

Further on from this, we have the St James University Open Evening taking place in February where you will have the chance to see what the children have been doing at the clubs and also sign up for new clubs.

Dinosaur Workshop

Year 3 have had a very exciting week this week in which discovered dinosaur eggs and incubated them until they hatched.

CCTV footage was seen of the dinosaur in school followed by a visit on Friday of the dinosaur all acting as a stimulus for writing.

LDST University

The LDST University will begin next

week for our Year 4 children where they will look at careers and job aspirations for the future.

The course consists of a number of learning activities and visits from animal professionals such as dog groomers and veterinary nurses. Further to this, the children will have the opportunity to visit a farm and a session at Knowsley Safari park.

Games Morning

On Tuesday 14th January we hope you can join us for our second games morning.

Families that visit will be given a resource to use at home.

School Nurse Drop In

The next school nurse drop-in session will be on Wednesday 25th February starting at 2:30pm.

These sessions can be used to discuss any concerns you may have with your child's health.
