School closes 3:15pm  
School opens 8:50am  
St James' University Clubs Begin  
Formby National Trust (Y5) (Weather permitting)

**This half term our Church Value is : Thankfulness**

## Games Morning

On Tuesday 14th January we opened the classroom doors to welcome parents and carers in to take part in our Games Morning.

We hope that you enjoyed visiting the classroom and seeing the fun ways that the children learn. Children where also handed a resource that could be used to continue their learning at home.

## Djemba Drums Lessons

Our Year 5 class have started their Djemba Drums sessions this week with the help of St Helens Music Service.

Over the next few weeks they will be learning a piece of music which will hopefully be displayed to parents/carers at the end of the course.

## Brass Project

This week, Year 4 began lessons with St Helens Music Service. Having already chosen our preferred brass instruments, we were excited to finally get our hands on our instrument.

Mr McDonald, our music teacher, taught us the im-

portance of respecting and assembling our instrument correctly. To finish the lesson, we were delighted when we all managed to play our first notes!

## Year 4 Assembly

On Friday morning, Year 4 performed a beautiful whole school assembly titled "Peace"

With ideas taken from our whole class collective worship, the children told a story about impact we can all have on bringing peace to the world.

This message was conveyed powerfully through readings, prayer and song.

Congratulations Year 4 - we are very proud of you!

## Enterprise Project

Year 5 had an exciting opportunity to practise their business skills in an Enterprise afternoon with a visit from St Helens Chamber.

This involved participating in a small board game that allowed them to buy and sell stock with an aim of making a profit.

This will hopefully set them up to achieve great things in

the future world of business.

## LDST University

We are very excited to be delivering the LDST University club with our Year 4 pupils.

This is a new club which offers a range of opportunities to raise aspirations and gain an insight into future career options.

The children will attend the club on a weekly basis but will also have the fantastic opportunity to visit a working farm and to take part in some work experience at Knowsley Safari Park.

There will be celebration events throughout club and the children will receive a number of different awards along the way.

The first couple of weeks have been thoroughly enjoyable and we are looking forward to the coming weeks.

## Parent Notices

**ParentApp** - We advise all parents to have access to our school ParentApp. If you are having any issues or need help setting this up then please visit the school office.
