## Year 5 Formby Trip

On Monday our Year 5 pupils went on an exciting exploratory visit to Formby National Park.

The children had the opportunity to showcase their creativity as they used natural objects to create forest sculptures in the style of Andy Goldsworthy.

Whilst out in the natural environment, the children also observed shapes and patterns making observational sketches and rubbings of patterns in natural materials such as bark and leaves.

An enjoyable day out in the fresh air was had by all and some great ideas were gathered ready to develop in our artwork back at school.

## LDST University

We are very excited to be delivering the LDST University club with our Year 4 pupils.

This is a new club which offers a range of opportunities to raise aspirations and gain an insight into future career options.

The children will attend the club on a weekly basis but will

also have the fantastic opportunity to visit a working farm and to take part in some work experience at Knowsley Safari Park.

There will be celebration events throughout club and the children will receive a number of different awards along the way.

The first couple of weeks have been thoroughly enjoyable and we are looking forward to the coming weeks.

On Thursday 10 of our LDST University pupils from Year 4 visited St Michael's High School in Crosby.

The children got to spend valuable time at school's farm where they had the opportunity to care for the animals. The pupils also got an insight into what qualifications are needed to pursue a career in animal care.

## Reception Windmill Farm Trip

On Thursday our Reception class went on an adventure to Windmill Farm.

Reception loved spending the day with the animals. The children had the opportunity to cuddle and feed the lambs

and they went on a train ride through the farmers fields.

The children were very brave whilst visiting some reptiles. They even got the hold some spiders and a snake!

Reception thoroughly enjoyed their day out in the fresh air!

## Early Bird sessions

**Year 6** - Please note that year 6 early bird sessions will continue to run until Friday 9th May. Children are expected to attend everyday in preparation for their upcoming SATS.

## Parent Notices

**ParentApp** - We advise all parents to have access to our school ParentApp. If you are having any issues or need help setting this up then please visit the school office.

**No snacks from home permitted** - Can all parents be reminded that only snacks provided by school are allowed to be consumed on school premises.

We provide a daily tuck shop with healthy snacks and fruit costing between 20p and 50p.
