

# St James' CE Primary School

## Year 5 Blog

Week Ending 20/3/20

Hey there Bloggers!

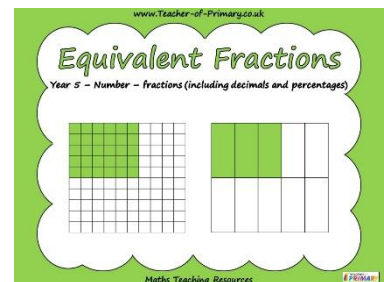

### Persuasive Writing

In English we have started a new unit focusing on persuasive writing. Oceans pollution and waste management the topics that we are debating at present as a introduction to our persuasive writing.

### Maths

In Maths we have revisited equivalent fractions this week with a focus also on decimals and percentages.

### Geography

As part of our study of Brazil, we took part in a market place activity exploring; bordering countries, geographical regions, cities, rivers and mountains .

### Art

What messy fun we had using charcoal and eraser to create a tonal contrast sketch of natural objects (stones, shells and rocks). The task was to show the contrast in tone (light and dark areas) paying attention to detail and pattern in the objects.
