## Daffodil Class Blog

Week Ending 25<sup>th</sup> September 2020

Hello,

It has been lovely to welcome the children back to school this week. Mr Clarke and I have been very impressed with the motivation that the children have shown to settle back down to the school routines and we so please to see their smiling faces.

The daffodil class have continued with their science topic, where we made the most of the lovely sunshine and tested out toy cars on a range of surfaces to investigate friction.

We have been looking at internet safety and how we can make good choices and keep safe online.

Yesterday the children showcased their impressive art skills when they drew a self-portrait using charcoal.

We thank God for bringing the children back together to spend time with their friends and enjoy their learning journey.

Thank you for your continuous support,

Mrs Bond and Mr Clarke
