Daily Mile Track

Our school is really lucky to have beautiful outdoor areas. We are also blessed with our own field. We are pleased to reveal our brand new Daily Mile Track. The children are really excited to try it out!

Smart School Councils

Involving every Voice

In September, we joined the Smart School Councils Community. Over the next twelve months, we will be using their approaches to help us to ensure that every child in our school engages with and can lead change in our school community.

Last week, every class had their very first class meeting. Two children from each class led the meeting using the Class Meeting Tool. The question up for discussion was: "Now you are back at school, how safe do you feel"? The children worked in small groups to discuss the question and to try and agree on an answer. Votes were entered into the Class Meeting Tool.

We are please to tell you, that as a school, most children reported that they do indeed feel safe in school!

We are really excited for our next class meeting.

Anti-Bullying Assembly

On Monday 28th September, a virtual Anti-Bullying Assembly was held across the nation. We tuned in and pledged to say, "NO", to bullying in our school.

The children listened to people's experiences with bullying and how it impacted their lives.

They also learnt how to deal with bullying and discussed the five important people in their lives that they can turn to when they are sad or need help

Parent Notices

Dinner money - Dinner money is paid on a Monday via the parent app.

Walk home - If your child is walking home alone and this is not their usual method, then please let the office

know. This is part of safeguarding your child.

Absences - If your child is absent for any reason then please notify the school office before 9am by telephone or via our parent app.

Parking - When dropping off and collecting your child (ren), please be courteous to residents on where you are parking. This is also to ensure the safety of the children.
