

St James' CE Primary School

Hydrangea Class Blog

Week Ending 23rd October 2020

Hydrangea Class have had a wonderful first half term back at school!

In Maths, we have been working out the products of numbers by multiplying using the column method. In English, we have been looking at the features of a persuasive text and have produced our own persuasive text. We have finished our first units in Geography and Science and are ready to see the new topics we are learning after Half-Term. We have been continuing to explore the Bible in RE and have looked at the holy books of different faiths. In ICT, we have continued to look at how to stay safe online and completed an online safety poster including everything we have learnt about over the term. During Art this term, we have been exploring Pop Art. We looked at Andy Warhol and Roy Lichtenstein and even looked at Japanese Pop Art by the artist Yayoi Kusama!

We are thankful to God for keeping us all safe and for being with us every step of the way in our learning journey this Half-Term! 😊

We are looking forward to having a fantastic Autumn 2 term when we return after the break!

Here are some pictures of our art work:
