

St James' CE Primary School

Year 3 Blog

Week Ending 13th November 2020

Hello and welcome to our blog.

The children have made a super start after the half-term break and have really engaged with the new topics.

Maths – the children have been adding and subtracting 3-digit numbers with the added skill of re-grouping.

English – we have started our fables topic and have enjoyed reading different fables and discussing their morals; the children are looking forward to writing their own fable next week.

History – the children are enjoying the new topic, 'How World War 2 Affected the Lives of Children'. We are looking forward to our visitors from History Alive visiting on 23rd November to extend our learning of this topic.

'Which way now' has been a fantastic experience for the children and they have all enjoyed working outside in the fresh air. The children have all gained and developed valuable teamwork and problem solving skills.

We thank God for bringing the children together to enjoy their learning.

Thank you for your continued support

Mrs Bond and Mr Clarke
