

St James' CE Primary School

Lupin Class Blog

Week Ending 13th Nov 2020

Year 1 have had a settled back into school so well! We have had a jam packed two weeks of learning.

We took part in the amazing history workshop run by History Alive, all about toys of the past. The children really enjoyed the workshop and have been so enthusiastic about what they have learnt. (See twitter for some photos)

In English we have been reading the story 'Lost and Found' and we are even creating a vlog to review the book!

Our new science topic is all about the human body and our 5 senses. We have been learning about sight and how our eyes are protected.

This week we have also made remembrance poppies using old bottles and planned them in the garden at school.

We are very thankful to God for keeping us safe! 😊
