

St James' CE Primary School

Year 3 Blog

Week Ending 11th December 2020

Hello and welcome to our blog.

We have been continuing our fun learning journey in the Daffodil class.

In our English lessons the children have been learning about writing instructions; it has been lots of fun looking at the different styles of instructions for games.

In maths the children have been working hard studying multiplication and division.

The children have worked very hard to practise and perform their worship assembly about the Christian Value of Hope, we are looking forward to sharing the performance on the website this week.

We thank God for bringing the children together to enjoy their learning.

Thank you for your continued support

Mrs Bond and Mr Clarke
