

St James' CE Primary School

Hydrangea Class Blog

Week Ending 11th December 2020

Hydrangea Class are continuing to have a fabulous term!

In Maths, we have moved onto multiplying fractions. We have had to use our knowledge of improper fractions and mixed numbers. In English, we have finished our unit on instruction writing. We have written instructions about how to make a mummy and this has linked in nicely with our history work on Ancient Egypt. In PE, we have been taking part in coaching sessions where we have been exercising and tracking our heart rate. During RE, we have discussed what the best parts about the Nativity story are and we are looking forward to performing our Christmas songs this week! We have used our designs in DT to start sewing our Christmas Tree decorations. In PSHE, we have been taking part in weekly fit for all zoom sessions. We have been learning all about the eat well plate so that we can live a healthy and balanced lifestyle.

We are thankful to God for keeping us all safe and for being with us every step of the way in our learning journey. We are

looking forward to next week because we are having a
Christmas themed learning week to celebrate before we
finish the Autumn Term ! 😊
