## Lupin Class Blog

Week Ending 19<sup>th</sup> March 2021.

Year 1 have really settled back into school life these last 2 weeks.

In maths, we have been working on length and mass of objects in our classroom.

In Science, we have been learning about how plants grow and what conditions they need to grow big and strong.

The day the crayons quit is our book this half term. We have been reading all about the crayon and how they are tired of their jobs. The children have really enjoyed this book and have been doing some excellent writing.

On Friday the 19<sup>th</sup> March we participated in some activities for Red Nose Day. We talked about how we can help children all over the world and raise money for the charity. Here we are being superheroes!

We are very thankful to God for being back in school with our friends and teachers.
